Garden Clubs Hold Their Installations

The annual joint installation luncheon of the Pahokee Garden Club and the Canal Point Garden Club was held in the Community Building at Canal Point Tuesday, with Mrs. Lloyd Hudley, outgoing president of the Pahokee Club and new assistant director of District 10, Florida Federation of Garden Clubs, serving as installing officer.

Mrs. Leo Hebert was installed president of the Canal Point Club, beginning her second year as its chief officer; Mrs. Ralph Duran, vice president; Mrs. M. F. George, secretary; and Mrs. O. H. Shepard, treasurer.

Mrs. Robert B. Simonson was inducted new president of the Pahokee Club; Mrs. Carl Kolstad, vice president; Mrs. Norman Kennedy, secretary (with Mrs. O. R. Biech serving as proxy in her absence); and Mrs. Gertrude Williams, treasurer.

In the impressive installation ceremony Mrs. Hundley used the rose as a symbol in stressing the need of cooperation among all segments of an organization for its successful functioning, comparing the roots of the rose to the Club's State and national officers, the stem to the officers of the local club, and the leaves to members of the club, resulting in a beautiful unity of purpose when all work together for the good of the whole, resulting in a lovely rose or an effective organization, such as a garden club. She closed the ceremony with the reading of a poem, "A Rose," and was presented with a gorgeous orchid plant in appreciation of her services.

Mrs. Ruth V. Meredith, a long-time member of the club and supervisor of Pahokee city parks, was honored at the meeting with a Life Membership to the Pahokee Garden Club in recognition of her devotion, talents and dedicated work to make Pahokee a more beautiful community in which to live. Mrs. Hundley made the presentation of the life membership on behalf of the Club, and personally presented Mrs. Meredith with a unique gift: a garden hat ingeniously made of coconut palm fronds and decorated with hand-painted flowers. Mrs. Hundley then read an original poem written by Mrs. C. M. Todd in compliment to Mrs. Meredith.

A candle was lighted by Mrs. Hundley in loving memory and tribute to the late Mrs. Loula V. York, who was a longtime member of the Pahokee Club. It was announced that the Pahokee Club is placing a copy of the book, "Your Guide to Florida Landscaping" (Continued on page 3)

Rainbows Set "Carol Bardin Day"

The regular meeting of the Order of Rainbow for Girls, Pahokee Assembly No. 16, was held on Monday night, May 15, with junior past Worthy Advisor, Sharon Usher, presiding.

It was voted to give Lodus Gray, Grand Representative to the State of New Mexico, \$200.00 out of the Grand Assembly fund for her and her chaperon, Mrs. Jessie Barnes, to attend the Grand Assembly at Carlsbad, New Mexico on June 8, 9, and 10.

Pam Urry, treasurer, gave a financial report with Sandy Weeks, recorder, announcing that Rainbow dues were due by June and the general fund was in need of the dues. Mrs. Fay Urry, Mother Advisor, after hearing the financial report and operating fund report, told the girls there would not be enough funds to pay the expenses for all the girls in the Assembly to go to Grand Assembly in Jacksonville in June. The expenses for two chaperones, grand representative, grand page at large and grand choir member have to be paid. The money left from that would be divided equally among the girls who had made reservations.

The Mother Advisor told the Assembly she had talked to "Mama Lett", Supreme Inspector of the Order of the Rainbow Girls for the State of Florida, and received permission to combine Carol Bardin's Worthy Advisor's term to be filled by past Worthy Advisors Sharon Usher, Pam Urry, Sandy Weeks, Lodus Gray, Elizabeth Gist and Ruthelle Vandegrift.

The Mother Advisor also proclaimed May 6 as "Carol Bardin Day" in Pahokee Assembly No. 16. Each year, the girls will attend church in a body on the nearest Sunday to May 6 in memory of Carol.

The Assembly was presented a check by Dr. and Mrs. W. T. Gist and Elizabeth to replace the gavel in memory of Carol. A check was also presented to the Assembly by Mother Advisor Fay Urry, Pam and Ralena Urry, to replace the Worthy Advisor's jewel.

It was announced that Carol Bardin's secret Godfather, C. R. Wetherington, would replace the Worthy Advisor's necklace and hang in the Assembly a Memorial to Carol.

A report was made by the committee on the Resolution of Death of Carol Bardin and was then read to the Assembly by Sandy Weeks, recorder. The resolution committee was made up of Mrs. Jennie McKinstry, past Matron, secretary of the Order of the Eastern Star, Pahokee Chapter 184; Ona Fay Urry, Mother Advisor; Pamela Urry, acting Worthy Advisor; Elizabeth Gist, Worthy Associate Advisor; Brenda Maxson, Charity; Ruthelle Vandegrift, Hope and Sharon Usher, Faith.

It was announced that the Assembly had received sympathy cards from the Ruth Chapter, Order of the Eastern Star, Fort Pierce; Belle Glade Assembly No. 1; Fort Pierce Assembly No. 9; Lake Worth Assembly No. 15; Tequesta Assembly in Jupiter; Boynton Beach Assembly No. 93 and Clewiston Assembly No. 33.

The Past Worthy Advisors then pledged to carry Carol's term out to the best term of Pahokee Assembly No. 16. It was also announced that there would be Memorial Services for Sister Carol Bardin at the Grand Assembly in Jacksonville.

The girls discussed money-making projects and it was decided to have bake sales and car washes until the time to leave for the Grand Assembly on June 18.

Refreshments were served at the close of the meeting by Patricia Hoyle and Terry Eckles.

RESOLUTION

On The Death Of Sister Carol Bardin, May 7, 1967.

WHEREAS, God in His Providence has seen fit to take out of this world the Soul of our Fraternal Sister, Carol Bardin, Worthy Advisor, and He has seen fit to lay aside her pain or suffering, and take her where she could live in happiness and security in the arms of the Saviour she loved;

THEREFORE, BE IT RESOLVED: That in her passing, Pahokee Assembly No. 16, Order of the Rainbow for Girls, has lost a faithful, loyal, true friend and member, her going has left a vacant place in our hearts. We loved her cheerful smile, and friendly disposition. It was our privilege to walk for a while with her in this pilgrimage of life. We shall miss her.

LET IT ALSO BE RESOLVED: This assembly extends sympathy to the bereaved members of her family and prays that God will comfort them. A copy of these resolutions will be spread upon the minutes of our assembly records and copies sent to the family; the Most Worshipful Grand Master of the State of Florida; Mrs. Letta MacMinn, Supreme Inspector, Order of the Rainbow for Girls; Miss Mary Kathryn Brillhart, Grand Worthy Advisor to the State of Florida; the Rainbow Notes; the Glades Observer, Pahokee, Florida; and The Everglades News, Canal Point, Florida.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

Witnesses In Three Day Circuit Assembly

The Naples High School was packed by 1,017 of Jehovah's Witnesses and interested persons for the three-day Circuit Assembly sponsored by the Watchtower Society last weekend.

Highlights of the convention included an address by the District Supervisor, Bruce Giffin, Saturday evening, "Examining Our Ministry."

Commenting on the religious organizations during the past year, Giffin pointed out that records showed a large increase in membership in Florida Circuit No. 8.

Giffin, stressing the assembly theme "Add to Your Faith, Endurance" said, "It is very easy to give up in doing what is right, displeasing our creator. That is why endurance is so necessary—so that we may never become lax, bringing his disfavor."

Jean C. Rainbow, presiding minister of the Belle Glade congregation of Jehovah's Witnesses, said 18 were baptized in water in symbol of their dedication to do God's will.

The main feature of the program was Sunday when peak attendance was reached for the 90-minute color film "God Cannot Lie," narrated by the District Supervisor. The film carried viewers from how the earth probably looked when man was first put here and was called "paradise" to paradise restored by people from all nations and tongues worshipping the creator in peace and happiness.

Senator Thomas Files Bill On Car Insurance

Legislation was prefilled today in the Senate by State Senator Jerry Thomas, D-Lake Park, which would offer Florida motorists an opportunity to buy insurance to more adequately protect them against the uninsured or "judgment-proof" motorist. There were 33 co-signers.

The amount is now restricted by law to \$10,000 for the uninsured driver for bodily injury or death, and \$5,000 because of injury to or destruction of property by others. This is the minimum amount of insurance a motorist can carry on himself and still meet the financial responsibility law in providing protection for the other driver.

Thomas pointed out that the present law permits an individual to operate an automobile without any insurance liability whatsoever. "It is only after the first accident that a motorist is required to purchase liability insurance," said Thomas, "or face the loss of his automobile tag and that first accident could result in permanent injury or death."

The bill introduced by the senator provides that a motorist would be entitled to obtain insurance liability in an amount equal to one-half of his own liability insurance for a protection against an uninsured driver. If a motorist purchases \$100,000 of liability insurance under Thomas' bill he would have the right to acquire up to \$50,000 insurance liability as protection from an uninsured motorist.

The senator pointed out it was not until 1961 that any type of uninsured motorist protection was available. This was the result of a House Insurance Committee of which he was a member, which pushed through the legislation, but the lobbying interests effectively limited maximum coverage to \$10,000.

The community missions project for the months of May and June is personal articles for the patients at the county home.

It was voted by the circle members to purchase a book for the Pahokee Public Library in memory of Mrs. Lucy Batchelor.

The next meeting on Tuesday, June 20, will be held at the home of Mrs. W. A. Keen.

Now— U. S. Savings Bonds Pay More Interest

4.15% when held to maturity

***Higher interest on the
Bonds you already own, too!***

U.S. Savings Bonds are a better way to save than ever

Because now all Series E and Series H Bonds bought after December 1, 1965, will earn the new, higher interest rate of 4.15% when held to maturity. That's only 7 years for Series E—9 months quicker than before. All H Bond interest checks will be larger beginning in June 1966.

And your outstanding Bonds will earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive new rate.

Ask about buying Bonds where you work or bank. For America's future. And yours.

The U.S. Government does not pay for this advertisement. It is presented as a public service in cooperation with the Treasury Department and The Advertising Council.

"Today, none of us can remain aloof on the sidelines."

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front lines of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."
